

## NEW HAMPSHIRE MILITARY FORCES HONOR GUARD

## Statement of Agreement

I \_\_\_\_\_ agree to perform at least 12  
(print full name)  
military funeral missions per year for the next two years. I understand that I will not be  
held to this agreement for reasons beyond my control. The term of agreement does not  
limit the soldier to only twenty-four months of participation. Participation beyond  
twenty-four months does not require any additional statements of agreement.

In support of my commitment I will be issued one set of dress blues, provided training and any basic needs required to conduct the military funeral honors missions. I will be paid one days pay based on my current pay grade. I will also be awarded one retirement point for my performance.

If I do not perform to the “Statement of Agreement” expectations it could result in my being released from the NH Military Forces Honor Guard. This will result in my turning in all of issued equipment.

Early termination of this agreement requires the sole written approval of the State Coordinator?
